

18th December 2023

Dear Business Partners,

We would like to extend our sincere gratitude to you for your unwavering support in the growth journey of our Company.

In a bold move toward progress and advancement, we are thrilled to announce that with effect from 1st January, 2024 our Parent Company, Toyo Ink SC Holdings Co., Ltd. will undergo a substantial transformation.

The NEW NAME of our Parent company will be unveiled as "**artience Co., Ltd.**" (artience stylized in all lowercase letters).

Kindly note that "Toyo Ink India Pvt. Ltd.", along with our sister companies including "Toyochem Co., Ltd.", "Toyo Ink Co., Ltd", "Toyocolor Co., Ltd." and "Toyo Morton Co., Ltd." will remain UNCHANGED.

The new trade name "artience" signifies the amalgamation of "art" and "science."

"Art" symbolizes the stimulation of the senses and mind, encompassing the application of color and a liberal arts perspective. On the other hand, "science" embodies the application of technology, materials, and a rational approach to discovery.

This new identity reflects our commitment to contribute towards a future where everyone can lead enriched lives. We aim to provide society with "value that resonates with the senses," igniting emotions and thoughts. This unique value stems from the fusion and refinement of our company's strengths in art and science.

Your continuous support and guidance are crucial as we redouble our efforts to not only meet but exceed your expectations. We are dedicated to this transformative journey and look forward to your ongoing partnership and trust.
